

A day with clay takes your worries way

Every Wednesday, 2pm - 4pm

For older people

Come when you can it is free

Camden Town Shed

Maiden Lane Community Centre

156 St Paul's Crescent, NW1 9XZ

Its surprising how peaceful making things in clay can be. Better still if you are doing it alongside some mates. And you don't have to be artistic to copy other's ideas either like models, tiles, boxes, or artwork.

There is a volunteer supervisor to help and we have a kiln.
